Notes and information

60 credits (hp) represent a full academic year. The system is compatible with ECTS credits (the European Credit Transfer System) as one credit is equal to one ECTS credit.

A grading table is shown for courses where the same grading scale has been used during at least two years. The distribution of students for each grade is shown in percentage. The actual number of students is shown within the parenthesis.

1 Grading scale: Pass with distinction (5), Pass with credit (4), Pass (3), Fail (U)

The above is an excerpt from the student registry.
