This certifies that

NINA BUDNYK

has participated in the professional development webinar

FLIPPED CLASSROOM

10 Hours of Participation (0,33 ECTS)

Time: April 2023

Aim:

To describe theoretical concepts of the “flipped classroom” and analyse students’ learning activities in distance higher education programs with help of “flipped classroom” methodology, and compare it with other educational techniques.

Topics:

- Opportunities which the flipped classroom provide the students for learning and development
- Methods to design a flipped classroom session
- Advantages and disadvantages of the flipped class

Tutor: Associate Professor Galia Zamaratskaia
